B Early history
1. Please give details of the dog’s early life, if known, including litter size, age of weaning, age when obtained, whether raised outside or indoors, if orphan or stray, whether hand-reared, etc.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

2. How much interaction did the puppy have with people in the first year of his/her life?

______________________________________________________________________________

3. What method of housetraining was used?

______________________________________________________________________________

4. How did you react to any mistakes during housetraining?

______________________________________________________________________________

5. Did your puppy attend puppy ‘parties’ or classes? If so, please give details

______________________________________________________________________________

C Training and obedience
1. Has your dog ever attended training classes?  [ ] Yes  [ ] No

2. If Yes, please give details (when, where, age of dog, who took it to the class)

______________________________________________________________________________

3. What types of training techniques were used in the class?

______________________________________________________________________________

4. What training methods have you used?

______________________________________________________________________________

5. How well did your dog do in the class?  [ ] Very well  [ ] Average
[ ] Poor  [ ] Was asked to leave

If asked to leave, please say why
6. Do you think your dog is Good, Average or Poor at learning? [ ] Good [ ] Average [ ] Poor

7. What tasks will the dog reliably perform for you on command? [ ] Sit [ ] Stay [ ] Down [ ] Fetch [ ] Other ______________________________

8. Does your dog do ‘tricks’ (such as shake, rollover)? ________________________________

9. Does your dog pull when on the lead? [ ] Yes [ ] No

10. Is your dog more obedient in some places than in others? [ ] Yes [ ] No
    If Yes, please give details: ______________________________________________________

11. Is your dog more obedient with some people than with others? [ ] Yes [ ] No
    If Yes, please give details: ______________________________________________________

12. How do you correct your dog when he/she misbehaves? ______________________________

**D Diet and feeding**

1. What types of food (and brands) do you give your dog? ________________________________

2. How much does he/she eat a day? ______________________________

3. When and where is the dog fed? (how often and at what time) ______________________________

4. If there is more than one dog in the home, how many food bowls are provided? __________
    Where are the food bowls situated? ______________________________________________

5. Who feeds the dog? ______________________________________________________________

6. Is the dog protective (stiffening, growling, snapping or biting) around the food? [ ] Yes [ ] No
    Details ________________________________________________________________________

7. Is his/her appetite Good or Poor? [ ] Good [ ] Poor

8. Does your dog eat Quickly or Slowly? [ ] Quickly [ ] Slowly

9. What are his/her favourite foods? ______________________________

10. Do you have to be present for him/her to eat? [ ] Yes [ ] No

11. How much does your dog drink each day (in pints or litres)? ______________________________

12. Do you add supplements or titbits to the diet? [ ] Yes [ ] No
    If yes, what and why? __________________________________________________________________

13. Is he/she given bones or chews? __________________________________________________________________
    Is he/she possessive with these? _______________________________________________________

14. Do you consider your dog to be at the correct weight? [ ] Yes [ ] No
    Please fill in your dog’s weight ________________________________________________________
E Daily activities

**Sleeping and waking**
1. Where does your dog sleep? ____________________________________________
2. If your dog sleeps on the bed, who invites him/her up? ________________________________________________________________________
3. When does the dog get up in the morning? ______________________________________
4. Does your dog ever wake you at night? [ ] Yes [ ] No
   If yes, how often and why? ________________________________________________________________________

**Going outside**
5. When does your dog go outside and for how long? __________________________
6. How does your dog ask to go outside? ________________________________________________________________________
7. Does he/she roam free in a garden or yard? ______________________________________
8. What type of fencing is used to restrain the dog? ______________________________________
9. Is your dog keen to explore when on its own? ______________________________________

**Toileting**
10. Where does your dog tend to go to the toilet? __________________________
11. Does your dog spot mark with small amounts of urine? [ ] Yes [ ] No
   If so, where? ________________________________________________________________________
12. How often does he/she empty his/her bladder in a day? __________________________
13. How frequently does he/she empty his/her bowels? __________________________

**Exercise**
14. What sort of exercise (e.g. walking on/off lead, running off lead, agility training) does your dog receive and how much?

<table>
<thead>
<tr>
<th>Type</th>
<th>Purpose</th>
<th>Amount</th>
<th>Frequency</th>

</tr>
</tbody>
</table>

15. Who takes the dog for exercise?

**Play/training**
16. Is there any specific time devoted to play and/or training on a daily basis? [ ] Yes [ ] No
17. Does your dog play games with you or other family members? [ ] Yes [ ] No
   Details ________________________________________________________________________
18. Who initiates play: people or the pet? ______________________________________
19. What types of toys does your dog play with? ______________________________________
BSAVA CLIENT QUESTIONNAIRES: BEHAVIOUR SERIES

‘Home alone’
20. Is your dog left home alone in the house? ________________________________________
21. Where does the dog stay during the day when no one is home? _______________________
22. What does he/she do as you prepare to depart? _____________________________________
23. Does your dog ever bark or whine when you leave? [ ] Yes [ ] No
24. Does your dog ever [ ] vocalize, [ ] toilet, or [ ] engage in destructive behaviour while you are gone?
25. Typically, how long is your dog alone without people on any given day? _________________
26. What arrangements are made for your dog when you go on holiday? ____________________________

Family routine
27. What does he/she do during family meals? _____________________________________________
28. Has there been a change in your household routine (e.g. new work hours, new baby, moving, new roommate or visitors, boarding, diet change)? [ ] Yes [ ] No
   Details ________________________________________________________________________

Favourite things
Please list 5 things your dog enjoys most; these may be foods, toys or activities
__________________________________________
__________________________________________
__________________________________________
__________________________________________
__________________________________________

F Interaction with family members

The home environment
1. What type of home do you have (e.g. flat/apartment, house) ____________________________
2. What areas of the house does your dog have access to? ________________________________
3. Where does your dog sleep at night? _________________________________________________
4. Does he/she have their own bed? _____________________________________________________

Reaction to handling by family members
5. Is there aggression in the following circumstances? This can include growling, snarling (showing teeth), lunging, nipping, snapping or biting. Please fill in the chart: (Y=Yes, N=No, N/A=doesn’t apply). If biting has occurred in any of these circumstances, please describe the wound (tear, puncture, bruising)

<table>

</tbody>
</table>
## Reactions to other animals

9. What is the reaction to other dogs when out at exercise?
   - On a lead
   - Free exercise

10. What is the reaction to other animals, e.g. squirrels, unfamiliar cats?

## Other behaviours

1. Does your dog ever show inappropriate mounting or other sexual activity? [ ] Yes [ ] No
   If so, to whom or what?

2. Is your dog ever protective over parts of his/her body (especially ears and feet)? [ ] Yes [ ] No
   If yes, which regions?

3. Does your dog lick or chew on themselves more than you would expect? [ ] Yes [ ] No

## The current problem

1. What is the current problem(s) you are having with your dog? Please describe it briefly

2. When did it begin?

3. How long has it been present?

4. How old was the dog when it began?

5. Where does the problem occur?

6. With whom?

7. How often?

8. Other details

## Aggression

Please answer the questions below if the problem is aggression:

1. Describe the most recent incident and the setting it occurred in (try to be very precise, as if you were drawing a picture):
   a) Where was the dog?
   b) Where was everyone in relation to the dog?
   c) What was everyone doing before the incident?
   d) What did the dog do?
   e) What was the dog's body posture? Describe the position of ears, tail, face, hair on back, or draw a picture if necessary
1. How would you describe your relationship with this dog?
Adult owners (female) _______________________________________________________________
Adult owners (male) ________________________________________________________________
Children _________________________________________________________________________

2. What was your reaction to the behaviour? ____________________________________________

3. How did the dog react to your reaction? _____________________________________________

4. Was there any punishment? _______________________________________________________ 

5. If there was a bite wound was it a puncture wound or a tear? ___________________________

6. Going back in time, describe the 3 most recent incidents of the behaviour. Please use additional pages for this ____________________________________________________________

7. How frequently does the problem occur? [ ] Times per day [ ] Times per week
   [ ] Times per month [ ] Times per year 

8. When does the problem occur?
   When left alone? [ ] Always [ ] Usually
   [ ] Rarely [ ] Never
   When family members are present? [ ] Always [ ] Usually
   [ ] Rarely [ ] Never

9. What has been done to correct the problem? _________________________________________

10. Is the problem getting: [ ] Better [ ] Worse [ ] No change?  _________________________

11. Do you suspect any cause? ______________________________________________________

K House soiling

If the problem is house soiling, does it take place:
   When you are not present? [ ] Yes [ ] No
   When someone is home? [ ] Yes [ ] No

L Destruction

If the problem is destruction, does it take place:
   When you are not present? [ ] Yes [ ] No
   When you are home? [ ] Yes [ ] No

M Other problems

What other behaviours does your dog engage in that are objectionable to you? ______________
___________________________________________________________________________________
___________________________________________________________________________________
Does his/her behaviour cause arguments at home? _________________________________________
___________________________________________________________________________________
___________________________________________________________________________________

N You and your dog

1. How would you describe your relationship with this dog?
   Adult owners (female) ________________________________________________________________
   Adult owners (male) ________________________________________________________________
   Children ________________________________________________________________
2. What are your feelings about the dog’s present behaviour?
   Adult owners (female) ____________________________________________
   Adult owners (male) _____________________________________________
   Children _______________________________________________________

3. How would you ideally like your dog to be? _______________________

4. Under what circumstances would you consider euthanasia? _____________
   __________________________________________________________________

5. What is your expectation for change? ________________________________

6. Is there anything else you would like to add about your dog and its behaviour?
   Please give any other information you think is relevant to the case ________
